## 2020 Eskimo Open

A cool and windy day with a high of 40 degrees welcomed 50 hearty golfers. The golf course was clear of snow, however, the greens had a light dusting present in the morning. Players could elect to play 9 or 18 holes. 48 players completed all 18 holes. 4 players did not return their scorecard. Two played nine holes. A coin was flipped to payout one of the two 9 holers and the low net cashed. 15 of the 50 players cashed (30 %)! Many players won a door prize. Here are the gift card winners:
