\*Walk ups welcome if appointments are available. These are not demo days.

\*Fitting Days are designed for serious club purchasers.

\*Launch monitors. Most companies use Trackman and bring a certified fitter along with our staff.

\*Great for Lefties and Women (*vendors carry larger assortment*)

\*Visible ball flight, quality balls, stand and hit off, of grass, real golf professionals, a Top 50 Public Range in America (in business for 97 years), same or lower prices than big box stores! Why would you get fit hitting into a net, off, of a mat, using a rubber tee, by a salesman at a store?

\*St. Andrews Practice Center has demos, fitting clubs, a launch monitor, and award-winning PGA professionals available 7 days a week year round for club fittings. Call for an appointment, if our fitting days get filled early or the day did not work for you.
